A Tribute to martyrs of Pulwama Attack

Forty Central Reserve Police Force CRPF were killed and many injured on Thursday 14th February, 2019 at 2. 33 pm in one of the deadliest terror attacks in Jammu and Kashmir when a Jaish –e- Mohammad suicide bomber rammed a vehicle carrying over 100 kg of explosive in to their bus in Pulwama district. We play our tribute to the CRPF bravehearts.

All the citizens of our country including all parties and over 40 countries have condemned the terror attack and demands strong actions against Pakistan. We all stand firmly with Government of India to take a strongest stance and a series of actions which the world may have not seen in the past. The goi has immediately withdrawing the Most Favored Nation status granted to Pakistan, India has hiked the basic custom duty on all goods imported from it to 200percent, withdrawing security cover of six separatist leaders, the free hand is given Army to take all required core of actions against terror country. People are not satisfied with only these much actions. It is a time where surgical strike is not sufficient. The people have a great acceptance from goi to make a real strike to teach the lesson to terror sponsoring country and the terrorist. it is a time to prove a great capacity to convert problems in to opportunity. We must teach them lessons which the USA and Israel have shown to many countries in the past. Image of strong leader and nation cannot be made only by his speech but the courage to take strong actions. India has a fourth largest and strong army in the world. India has a highly qualified people to held all diplomatic talk to international community. Army of Pakistan even cannot stand against Indian Army. All people aspect to go for strongest actions against terror country. A strong and courageous political will is required to save the country from terror forever. We hope that the country will be protected and will have a great image in the world. Let us assure that that the country is in the safe hand. Once again we play our tribute to the CRPF bravehearts.
